Dwisabhav rashi- 3,6,9,12

Duality -3,6,9,12.

In a particular chart, if these three or most of these are in movable sign , then we say that the person is quite active, he or she loves changes, gets to move on quickly in life, and loves to travel.

If these three planets are in fixed sign, then the person likes to be stable in all aspects of life. He or she doesn't like changes in life. Loves to stay at place rather than moving around.

If these planets are in dual sign, then the person can have the qualities of both, movable and dual.

Note: Among dual signs, the first fifteen degrees belongs to the fixed sign and the later 15 degrees belongs to the movable sign.

For example, if your lagna lord is in dual sign gemini or virgo or sagittarius or pisces and it is 16 degree , then

we say that your lagna lord will behave as if it is in a movable sign because its degree is more than fifteen.

PERSON NATURE -3 planet are important

1) Aries-Ashwini [Ketu]

- Ashwa = Horse = Power = Speed = Trustworthy = Warrior
- Ashwini Kumar = Doctor of all Gods and famous surgeon

Story of Dadhichi Rishi : Tvashtha, the artist of God knew Madhu Vidhya [Sanjeevani]. He taught it to Dadhichi Rishi, when Dadhichi Rishi was moving to heaven.

Ashwinikumar always wanted to learn this knowledge. But Lord Indra was totally against anyone learning it. He had declared that one who would try to learn it, will be-headed by him. So, to avoid the anger of Lord Indra, Ashwini kumar beheaded Dadhichi and kept his head hidden from the world and fixed horse's head on Dadhichi. He started learning Madhu Vidya. Lord Indra beheaded Dadhichi's horse head.

Then Ashwini Kumar again fixed his hidden head on Dadhichi, but his knowledge remained incomplete. Hence, this Nakshatra has to do lot of hard work, face hurdles in knowledge gaining, but it has the best skill of surgeon.
